PROFESSIONAL EXPERIENCE

Project Manager | Synapse Virtual Production

Jul 2025 – Sep
2026

New York, NY | Projects in Fort Worth and College Station, TX

- Led multiple concurrent creative-technology and studio projects, partnering with clients, leadership, designers, technical teams, freelancers, and vendors from requirements gathering through delivery.
- Managed three simultaneous Texas A&M LED studio builds across Fort Worth and College Station, balancing priorities, schedules, staffing, vendors, budgets, equipment, travel, site access, and interdependent deadlines.
- Translated evolving creative and technical requirements into clear project plans, scopes, schedules, vendor briefs, staffing needs, meeting agendas, action items, and delivery priorities.
- Maintained prioritized Airtable workflows, project trackers, status updates, meeting notes, vendor records, budget documentation, change requests, and next steps for leadership and stakeholders.
- Sourced and negotiated with freelancers and vendors, evaluated pricing and availability, and tracked purchase orders, invoices, expenses, recurring costs, payroll needs, and financial reconciliation.
- Identified schedule, resourcing, procurement, and site risks early; communicated tradeoffs, reset expectations, and coordinated solutions to keep projects moving against aggressive deadlines.
